**Goran,**

**Enclosed you will find final payment of [redacted] for the granite provided for our home in Fairfax Station. It's a "showpiece" of work, and I'm certain that Jim S [redacted] will refer prospective customers to view it. What a marvelous change to kitchen, wet bar, butler's pantry, and cook top counters. Everything fits and finished the entire look of the project, as it should.**

**Your crew was clearly a team as they worked carefully throughout the day and cleared debris that resulted from cuts, shims, and dust. They deserve your commendation for making this a very enjoyable effort for my wife and me.**

**Thank you.**
